

# Student Survey Questions- Same for Pre and Post

## Persistence

I like to learn new things even if they look hard  
I keep working on a school project even if it is not fun

I work on projects one step at a time  
If I want to get better at something I practice it  
If something is hard I will keep trying until I get it right  
I like to learn new things even if they look hard.  
I keep working on a school project even if it is not fun.  
I work on projects one step at a time.  
If I want to get better at something I practice it.  
If I want to get better at something I practice it.

## Future Orientation

I think I will have a good life when I get older  
I think about what life will be like when I am a grown up  
I think things work out better when I have a plan  
I think if I do well in school now it will help me when I am older  
I will give up having fun now if it means I will have a better future  
I think I will have a good life when I get older.  
I think about what my life will be like when I am a grown up.  
I think things work out better when I have a plan.  
I think if I do well in school now it will help me when I am older.  
I will give up having fun now if it means I will have a better future.

## Self-Regulation

If I have a problem, I will try to make it better  
I study even if my friends want to hang out  
I think before I act  
I am okay even if I don't always get my way  
I can control my temper when I am mad at someone  
In class, I can focus on what I am doing even if other kids are talking  
If I have a problem, I will try to make it better.  
I study even if my friends want to hang out.  
I think before I act.  
I am okay even if I don't always get my way.  
I can control my temper when I am mad at someone.  
In class, I can focus on what I am doing even if other kids are talking.

## Growth Mind-Set

It is important to learn as much as possible in school  
Anyone can get smarter by trying hard  
You can always change things about yourself you don't like  
You get smarter when you learn new things  
It Anyone can get smarter by trying hard.

You can always change things about yourself you don't like.

# **Student Survey Questions- Same for Pre and Post**

**It is important to learn as much as possible in school.**

**You get smarter when you learn new things.**

## **Self-Confidence**

**I like a lot of things about myself  
I think I am as smart as other kids**

**I have a lot to be proud of  
I think other people like me  
I like a lot of things about myself.  
I think I am as smart as other kids.  
I have a lot to be proud of.  
I think other people like me.**

## **Adult Who Cares**

**There is an adult who is not in my family who cares about me  
There is an adult in my life who helps me reach my goals**

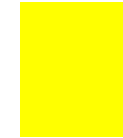

**There is an adult in my life who asks me how I am doing in school  
There is an adult in my life who I can talk to about my problems  
There is an adult who is not in my family who cares about me.  
There is an adult in my life who helps me reach my goals.  
There is an adult in my life who asks me how I'm doing in school.  
There is an adult in my life who I can talk to about my problems.**

## **Positive Peer Relationships**

**I have a friend who spends time with me when I am lonely  
I have a friend who helps me when I need it  
My friends help me with projects in class  
My friends listen to me when I need to talk  
I have a friend who spends time with me when I am lonely.  
I have a friend who helps me when I need it.  
My friends help me with projects in class.  
My friends listen to me when I need to talk.**
