How does it work?

1. Register for the BOOST Conference
   www.boostconference.org

2. Indicate in your registration account that you are interested in possibly acquiring and paying for CEUs.
   • No additional fee will be added to your online account, this is only to determine your interest.

3. Review the workshop offerings.
   • Workshops that qualify for CEUs will have this symbol:
Prior to the conference...

• You will receive an email with information required by CASP to successfully obtain CEUs.
• The email will contain links to access two items:
  1. Required post-quiz (to be completed after your session). You must pass quiz with a score of at least 80%.
  2. CASP Workshop Evaluation that is specific to CASP requirements.

Payment and Processing

• CASP charges $20 per workshop that qualifies for CEUs.
• BOOST participants must pay for this additional fee apart from their conference registration.
• The participant is responsible for sending a check to BOOST in the amount of $20 (per CEU workshop they plan on attending)
  • The check must be made payable to CASP (not to BOOST.)
  • Payment must be received by April 15, 2021.
  • No refunds will be issued if participant does not attend the workshop(s).

Paperwork and Processing

• BOOST will send all required information (i.e. your payment, post-quiz results, and evaluation) to CASP within 30 days after the conference.

• CASP will process the paperwork and payment within two to four weeks of receipt.

• CASP will follow up with each participant with the appropriate documentation that CEUs have been completed and processed.
