### PROGRAM SUMMARY

#### ABOUT TEEN TRUTH LIVE

TEEN TRUTH™ is a student created film series that was developed to give students a voice, motivate them to think, and empower them to make a difference.

TEEN TRUTH LIVE is North America's premier student assembly experience. The trademark combination of award-winning, student-shot films and professional motivational speakers makes for one unforgettable and life-changing event. Each high-concept film features its own unique style that uncovers the real truth on the issues that students face but don't talk about. With subjects such as BULLYING & SCHOOL VIOLENCE, DRUGS & ALCOHOL, and BODY IMAGE & SELF ESTEEM, TEEN TRUTH LIVE boasts the most unique issue-focused assembly programs available. In less than three years the films have reached over 2.5 million people and the TEEN TRUTH LIVE speakers have personally touched over 400,000 lives.
