About Us

"SPEAKING OUT FOR POSITIVE CHANGE"

Mission Statement:

Training Leaders to Strengthen Communities.

Vision:

Our goal is to support youth and adults in becoming leaders in their communities. We do this through education and de-stigmatization of mental health, while recognizing the values, beliefs and cultural differences of the diverse population of San Diego County.

Objective

- This session will introduce a very successful afterschool Youth Character Development and Leadership Training program.
- It will include how to effectively communicate with youth in a way that will educate and inspire by helping them to recognize their inner strengths, respect and honor people's differences, develop good character, set goals, and become the best they can be.
